ABOUT CHRISTY

Christy is an experienced case manager who has worked with clients with complex acquired brain injuries, supporting them through pre and post litigation.

Christy graduated from the University of Salford in 2013, with a BSc First Class in Nursing and Social Work. Christy has significant experience as a Registered Learning Disabilities Nurse within the health care sector in a variety of different settings, including secure hospitals, community healthcare, and education services.

In these roles Christy has supported individuals with complex health needs, brain injury, learning disabilities, mental health issues and autism spectrum conditions.

Christy's area of expertise includes working with clients, their family, support teams, and professionals to ensure the quality of care is of a high standard and that people are supported to live a life that is meaningful to them.

Christy is knowledgeable around Care Quality Commission standards and completes internal inspections for Beacon Case Management, consulting on compliance, governance and safeguarding needs.

CLINICAL SKILLS AND EXPERIENCE

- Specific interest in providing bespoke packages of care to individuals with varying severities of brain injury, physical disability, mental health illness, learning disability and autism.
- Skilled in the coordination and management of multi-disciplinary teams.
- Skilled in working systemically and problem solving between team member and family dynamics and creating effective working that positively impacts the client.
- Able to compassionately guide clients through their litigation and rehabilitation journey.
- Excellent communication skills, able to build positive and effective working relationships with professionals and support teams, as well as therapeutic relationships between client and their family.
- Highly skilled in devising and implementing comprehensive person-centred care plans and risk assessments.
- Passionate about promoting clients to self-advocate and have a voice
- Completion of initial assessments and formulation of reports to evidence and demonstrate clients rehabilitation needs.

TESTIMONIALS

"I have worked with Christy over the last year or so and have found her to be professional, dedicated and excellent at managing challenging matters and clients with complex care packages. Christy is proactive, responsive, and committed to achieving the best outcome for her clients. Christy's input has been invaluable in managing a care package with complex dynamics. I would not hesitate to recommend Christy, it has been a pleasure to work alongside her."

SOPHIA LEWIN, SOLICITOR AT IRWIN MITCHEL SOLICITORS

"At Cavalry we work closely with Christy Simpson to manage a number of complex packages of support. Her professionalism and dedication consistently stand out. She is unwaveringly person-centred in her approach, ensuring the needs and preferences of those she case manages are always prioritised. Her communication skills are exceptional, always keeping us well-informed and she is responsive to any queries or requests for information we may have, making her invaluable in us being able to deliver high-quality care and support."

LEONI RAINFORD - COMPLEX CARE REGISTERED MANAGER AT CAVARLY HEALTH CARE

"It is a pleasure to work with [Christy] to support our clients, I trust [her] knowledge and experience of dealing with clients with complex needs and challenging family dynamics. I find [her] to always be responsive to our requests and proactive in managing issues that arise, and I would highly recommend [her] to anyone looking for case management services."

EMMA GREEN - SOLICITOR - IRWIN MITCHEL SOLICITORS

"Christy has been an exceptional case manager, demonstrating professionalism, empathy, and excellent organizational skills throughout her work. She has a talent for building positive relationships and always takes a thoughtful and proactive approach to addressing challenges. Her input has consistently made a meaningful difference, and I truly appreciate her dedication and support."

NICKI HOMAYOUNBOD - TEAM LEADER FOR A DIRECTLY EMPLOYED CARE PACKAGE
